

RPC Action Plan 2023

Inspection carried out by Councillors Anderson and Godber on 23rd April 2023

	Observation	Action (if any)	Target Date	By whom
1.	Water flow through the village good on day of inspection.	Councillors will continue to monitor on a regular basis following different weather conditions and communicate with MKC and owners as required.	Ongoing agenda item	All
2.	Drains throughout the village continue to cause concern. Many are blocked with debris and vegetation.	Continue to raise this issue (bi-monthly) until appropriate action is taken to have a long term solution.	Ongoing, repeat as necessary	Clerk
3.	Stream outside the Recreation Ground and Allotments requires regular clearing.	Grid collects a lot of debris. Currently cleared by Councillor (RM) Clerk to establish whose responsibility grid is. Clerk to obtain quote for one off clearance of grid from contractor. To become regular agenda item re maintenance	Ongoing	Clerk/RPC
4.	Wildflower area at well still not yet established	Improvement noted. Well itself could be addressed - a communal herb garden for use by residents. Big Help Out.	May/ June/July	FG/HA
5.	Number of potholes have not been repaired throughout village	Report to MKC again in the hope that they will be repaired	May 23	Clerk/HA
6	Astro turf at the Recreation Ground is covered in moss and debris	Cleaning with stiff brush may be enough to restore. Big Help Out suggestion.	May 23	HA/ volunteers
7	Raised beds at Recreation Ground very messy	Weeding and general tidy up. Big Help Out suggestion	May 23	FG/HA/ Volunteers
8	Broken Jubilee tree on Mill Road	Replacement required	Aut 23	RM
9	Street lights	Missing and faulty streetlights. Previously reported but no response. Continue to report to MKCC	ASAP	HA
10	Allotments	Generally well used. Pump still not functioning. Repair or replacement if necessary through Green Space grant funding	ASAP	LP
